

### **Quiz**

Chapter 6 is about the copyright of J-dorama and counterfeit products that sell in online with an illegal way, which spread to worldwide. No matter people are in local or they are abroad, they always hunger for watching J-dorama for the trendy lifestyles. So, they duplicated the film in order to watch it again at any time that they wanted to. For this point, people reproduce more about the trendy dramas and sell in online, like ebay. Although it's a duplicate product, but it mimics just like the original, and it's much cheaper than the original.
