

QUIZ

Otaku was refer to the people who obsessive interest in anime, manga, video games, and others. They were all gathering in Akihabara. Otaku was changing frequently. It was rejected from society at first, but later was famous in some period of time, which attracted to many foreigners to come. However, because of the incident, otaku gradually being turn down and return back to the original stage. For example, the Miyazaki incident, which the perpetrator kidnapped and murdered 4 little girls, and Akihabara massacre, an incident of a murder that take place in Akihabara in 2008, where a perpetrator stab to the random bystanders. After otaku was prohibit, people who used to devoted in anime, manga, and others, now only a few people who identified themselves as otaku.
